

I would urge you to not to replace the current FM signal for radio station K-LOVE (FM 90.7 in our area) with the LPFM signal. I understand that a replacement is under consideration. I am a faithful listener to K-LOVE and it is a positive influence in our community. I believe that the service provided by K-LOVE is in the public's best interest and it would be devastating to me as well as the Christian community, especially, if it was no longer available.
